

Are you a member of The Fellowship League?

The Steamship Historical Society of America (SSHSA) has been fortunate to have had members remember SSHSA in their estate plans. Thanks to the forethought of past stakeholders, SSHSA has received over \$2,000,000 in estate gifts.

To honor those that have paved the way, the Board of Directors have established the **FellowShip League** to continue the tradition of leaving a legacy to SSHSA.

By thinking of SSHSA in your estate plans, you are joining many others who believe in the traditions of making gift provisions to an organization they have supported during their lifetime. Through a properly executed will, an individual can perpetuate his or her interest by making a bequest. It is a prudent way to continue lifetime commitments in the manner you desire.
